

2023 MEMBER GUIDE

Dear Fellow Ohioan,

I am pleased to present the 2023 Ohio Proud Member Guide, which highlights partners who produce agricultural products that are at least 50 percent raised, grown, or processed in Ohio.

Ohio Proud helps consumers easily identify Ohio-made products. Every purchase made helps support local farmers and agribusinesses and contributes to the state's overall \$124 billion food and agriculture industry.

For more information on each Ohio Proud partner, visit OhioProud.org.

A handwritten signature in black ink, reading "Brian Baldrige". The signature is stylized with a large, flowing "B" and "B".

Brian Baldrige, Director
Ohio Department of Agriculture
