

2026 MEMBER GUIDE

Department of
Agriculture

Dear Fellow Ohioan,

I am pleased to present the 2026 Ohio Proud Member Guide, which highlights partners who produce agricultural products that are at least 50 percent raised, grown, or processed in Ohio.

Ohio Proud helps consumers easily identify Ohio-made products. Every purchase made helps support local farmers and agribusinesses and contributes to the state's overall \$124 billion food and agriculture industry.

For more information on each Ohio Proud partner, visit OhioProud.org.

A handwritten signature in black ink that reads 'Brian Baldrige'.
